

2016 ADVENTURE CAMP

This year the Lower Republican NRD is providing grants to two students desiring to attend the Adventure Camp about the Environment (ACE). It will be held Sunday, June 12th – Wednesday, June 15th at the State 4-H Camp in Halsey, NE. This camp is for students who want to learn more about natural resources and have an adventure at camp. Campers must have completed 6th, 7th, or 8th grade in the 2015-2016 school year.

Our District's grant program for the ACE Camp basically pays the entire camp fee--\$190 per student. Two grants will be awarded this year. Grant recipients will be determined by which applications are received in the LRNRD office first. In the event of multiple applications being received concurrently, higher grade levels will be given priority. If further measures need to be taken, the recipients will be determined by a drawing. Participants desiring this grant **must** mail their completed application to:

Lower Republican NRD
PO Box 618
Alma NE 68920

Applications must be postmarked no later than May 16th to be considered. An applicant may withdraw his application up to May 25th without penalty. Thereafter, the applicant will be assessed the non-refundable cost incurred by the Lower Republican NRD of \$25. Should an applicant need to withdraw an application, the LRNRD office should be contacted to make arrangements for cancellation with ACE.
