

PRD Annual Report – June 2018 to June 2019

***This report has been prepared according to LB 758 in the 2018 Nebraska legislature.**

- **Details on the operation of the project:**
 - The Platte Republican Diversion project (PRD) was created to help satisfy the water needs of the Republican River Compact and the Lower Republican and Tri-Basin NRD's (Natural Resource District) Integrated Management Plan (IMP). The project will divert excess flows from the Platte basin as the most junior appropriator, into the Republican basin only at certain times when it is necessary to support the IMP's. The project has not been operated.

- **The amount of water pumped:**
 - This project has not pumped any water.

- **The amount of land leased and for what purposes:**
 - No lands have been leased.

- **The amount of revenue gained from land leases:**
 - \$0.00

- **The amount of payments made in lieu of taxes:**
 - The PRD received a statement from Gosper County totaling \$3,531.83, which the PRD intends to pay.

- **Financial details of the project:**
 - The amount of debt: \$0
 - The amount of outstanding bonds and loans: \$0
 - Project Budget: \$1,657,000.00

- **Whether the project is achieving its intended purpose:**
 - The project has not been operated.

- **The effect of the project on ground water supplies:**
 - None.

- **Projections for the use of the project in the future and the effect of the use on ground water supplies:**
 - No water use is projected for next year. No adverse effect is projected on ground water supplies.
